and

Tennis Dynamics presents:

The 2015 Spring After-School Tennis Program

We are excited to offer after-school tennis at Eastvalley Elementary School! This program is designed to introduce the young students to the fundamentals of tennis.

Over the past seven years we have presented tennis to 100s of kids through our after-school tennis programs held on the school campuses. Our classes have been offered to other schools throughout the Cobb County and Marietta City school system and we are excited to come back to Eastvalley Elementary school.

Tennis is a sport for a lifetime. At Tennis Dynamics we know little kids like big fun. That's why we've developed an introductory tennis program for young kids. Everything is specially designed to satisfy their needs. The racquets and nets we use are small and easy to learn with. We give encouragement and gentle instruction so the kids learn fundamentals in a positive and fun atmosphere. Additionally, the youngsters will begin to learn tennis etiquette, score keeping, and the rules of tennis.

Our program at Eastvalley starts with the absolute beginner. Our goal is to allow the children to have fun and develop a love for the game. Throughout the series of classes you will be able to notice we have a progressive, structured curriculum.

Use the back of this registration form to sign up or do it online by going to the After School page at www.tennisdynamics.net

Tennis Dynamics Player Development
151 Manning Rd.
Marietta, GA. 30064
